Covid Tip of the Week- Talk with people you trust about your concerns and how you are feeling.

Wearing a mask is a health issue not a political one.

Be Safe!

Letter to the Parishions of St. Edward's

Dear brothers and sisters,

This year marks the toughest and most uncertain time for many of us due to the pandemic. Coping with COVID-19 during the past months has forced us to make several changes in our lives affecting our work, our daily routines and even our interactions with one another. With the rising case count and with no cure or vaccine ready, it feels impossible to maintain any sense of optimism about the future.

But despite all the trials and difficulties, may we remain steadfast in faith. God is with us and will never abandon us. It is important for us to anchor our hearts in the hope that we have in Jesus Christ. Let us intensify our prayers to God that He may give us the strength to face the uncertainties we are dealing with right now. Let no day pass without asking God to put an end to this pandemic that afflicts our communities. May God bring healing to those who are sick and strengthen and protect those who care for them. May He heal us too from our fears which prevents us from helping one another.

I would like to personally thank you for you are the visible sign of God's kindness and generosity especially during this time. Your presence, your ministry, and your support keep our parish going. Your generosity is not only helping us meet our operating needs but also provide the necessary resources for our various ministries.

I miss our fellowship and look forward to the time when things return to normal. We will gather once again as children of God to praise, worship, and receive Him in sacraments.

You are always in my daily prayers.

Fr. Bernie
